Completion Date: **Autumn 2025**
Status: **Completed**

Hwy 1 Paving Project - Phase 5 – Cassiar Tunnel to Willingdon Avenue

Contract Value: $7,449,000.00

Project Highlights:

- 33,380 Metric Tonnes of Asphalt Paving
- Over 75,000 m² of Full/Variable Depth Asphalt Milling
- Over 200 Utility Adjustments
- 13 km of Barrier Relocates
- 8 Crash Attenuating Terminals
- Over 2,500 New Pavement Markers

Description:

All Roads is proud to have been awarded the fifth phase of the Highway 1 paving project, covering 51.5 lane-kilometres from the Willingdon Interchange to the Cassiar Tunnels. This milestone marks the successful continuation of our work with the Ministry of Transportation and Transit, following the completion of the previous four phases.
