Completion Date: **Autumn 2019**
Status: **Completed**

Project #: 191059

City of Burnaby - Still Creek Drive at Eastbrook Parkway Roundabout

Contract Value: $1,242,239.00 Orignal Contract Value: $1,200,000.00

Project Highlights:

- Upgrade T Intersection to New Roundabout Configuration
- Roadway Excavation
- Asphalt Milling
- Granular Base Construction
- Lightweight Fill, Misc. Concrete Works.
- Storm Drainage Improvements
- Asphalt Paving
- Landscaping Improvements, Roadway Lighting

Description:

City Performance Evaluation of 93.74! This latest project by ALL Roads converted heavily congested T-intersection into a roundabout configuration without traffic lights for the City of Burnaby. It was interesting and challenging job site due to its very tight and limited working area for large construction equipment, as well as heavy traffic from 3 approaches that gets congested constantly.

Team Members:

• Rod Stephens - Project Manager
• Denis Labelle - Construction Manager
• Greg Regier - Estimating Manager
• Mike Grey - Superintendent
